Hello,

I hope this letter finds you well. I am writing to inform you that, after careful consideration, I will be leaving Neurology Consultants of Dallas effective March 21, 2025. It has been a privilege to provide care for you, and I am deeply grateful for the trust you have placed in me throughout our time together.

After my departure from Neurology Consultants of Dallas, I plan to continue practicing in the area. Should you wish to continue receiving care from me in the future, I encourage you to use an online search engine (e.g. google) to locate my new practice and to find relevant information regarding my practice updates, which I plan to make available in the upcoming months. You may also send an email to ElizabethChambersMD@gmail.com to inquire.

If you wish to continue care at Neurology Consultants of Dallas, staff members will be happy to assist you in transitioning to another physician within the practice. If you see multiple providers at NCD, you will still be able to see those providers during this transition and beyond. Additionally, Dr. Rasheda El-Nazer is a movement specialty trained physician practicing in the area.

If you have any questions or require assistance with transferring your medical records, please feel free to contact the office at 214-750-9977.

Thank you for the opportunity to be a part of your healthcare journey. I look forward to continuing to serve you and our community in my new practice.

All my best,

Elizabeth Chambers, MD
