

Dear Valued Patient,

I am writing to inform you of an important change regarding my practice. As of **April 25, 2025**, I will be leaving Neurology Consultants of Dallas. My last day of scheduled clinic will be **March 31, 2025**, after which I will primarily be serving patients in the hospitals that our organization covers. Clinic follow ups after March 31, 2025 will be approved on a case-by-case basis, based on the urgency of the medical issue.

While I will no longer be with this practice after April, I will continue to provide care in the DFW area. To ensure a smooth transfer and ensure continuity of your medical care, we will gladly assist you in transitioning to another physician within the group. If you would like to transfer your care outside of Neurology Consultants of Dallas, we can assist with this process as well.

If you are seeing me for sleep-related issues, we will assist with transferring your medical records to a sleep specialist close to you. You may consider seeking care from Dr. Michael Paul Kellam (Plano), Dr. Vikas Jain (Frisco), Dr Safia Khan (Dallas – UTSW), Dr Nabeel Farah (Dallas). Please let us know how we can help with this process.

It has been an honor and privilege to be a part of your healthcare journey, and I sincerely appreciate the trust you have placed in me. I look forward to continuing to serve you in the future.

If you have any questions or need assistance with your transition, please do not hesitate to reach out. The clinic staff can be reached at 214-750-9977 to assist with any issues regarding the transition.

Sincerely,

Brian Ku, MD
